

Maui Chemtrail/Geoengineering Symposium

Friday, April 27th. 7:30pm
Studio Maui, Haiku, Maui

Presentations by:

Scott Stevens: Meteorologist & Television Weatherman
Michael J Murphy: Producer of "What in the World are They Spraying"
Dr Loren Pang, Morgan Carey, Bruce Douglas, and more...
Concert by Reggae star Skull performing new chemtrail song "Cry-Die"

Focus of this Maui Chemtrail/Geoengineering Symposium:

- 1) Support the passage of **Maui Clean Sky Ordinance**, requiring any geoengineering activities over Maui to first present an Environmental Impact Statement & receive our Informed Consent.
- 2) Presentations on geoengineering and its relationship to **weather control**, ecosystem collapse & the corporate/GMO seed agenda.
- 3) Previews of new chemtrail film, "**WHY** in the World are They Spraying?".
- 4) Updates on new aerosol dispersal methods: **Chem Bombs** and Aerial Explosions.
- 5) **Concert** by Korean Reggae star Skull whose debut single in US peaked at #3. He will perform his soon to be released chemtrail anthem "Cry-Die". Skull is managed by Maria Carey's brother Morgan Carey who is an ardent opponent of geoengineering and will speak about the importance of penetrating pop culture to reach the masses about this threat to humanity.

Proposed Maui Clean Sky Ordinance: (short form)

"No entity may engage in disbursement of aerosols, chemicals or any particulate matter into the skies that may enter into the breathing atmosphere, into the rain or that may land on the soils of Maui County, or engage in geoengineering, climate engineering or any other activity that may alter the weather or alter the sunlight of Maui County, without first presenting an Environmental Impact Statement to be approved by the Maui County Council, and also receiving the written informed consent from the Maui County Council.

Exempt from this law are approved products and by-products of normal industry, agriculture, commerce and transportation."
